1st INTERNATIONAL BUILT ENVIRONMENT (BE) UNDERGRADUATE RESEARCH COMPETITION

3rd Building Surveying (BS) Undergraduate Research Competition

7th March 2016
 Pullman Hotel, Bangsar
 Kuala Lumpur

Organised by:
 Department of Building Surveying
 Faculty of Built Environment
 University of Malaya

Overview

The 1st International Built Environment Undergraduate Research Competition (BEURC) is an undergraduate competition dedicated to all registered undergraduates in Built Environment programmes at both national and international levels. This competition is also an advanced programme based on the continuation of the annual conducts of BS Undergraduate Research Competition (BSURC) which were held at Faculty of Built Environment (FBE) since 2013. Therefore, this year 3rd BSURC is embedded in the 1st International Built Environment Undergraduate Research Competition (BEURC).
