STATE THE FULL PROJECT TITLE CLEARLY AND CONCISELY, REFLECTING THE PROJECT'S MAIN FOCUS AND COMMUNITY IMPACT.

Project Leader + Team Members

State the department, faculty and university/institution of the project team.

1 INTRODUCTION

Briefly introduce the target community, project background and location. Highlight key community problems, project significance and main objectives.

2 APPROACH & IMPLEMENTATION

Describe the project methodology, key activities and implementation process. Include a timeline or Gantt chart highlighting project milestones, progress and budget utilisation.

3 RELEVANCE TO MALAYSIA MADANI

Identify the relevant Malaysia MADANI Initiative, MADANI Core and SDGs. Highlight at least four MADANI Pillars and briefly explain their relevance to the project.

4 COMMUNITY REACH & PARTNERSHIPS

Highlight the number and profile of beneficiaries, community involvement, and key strategic partnerships.

8 ACKNOWLEDGEMENT

Acknowledge funding agencies, institutions, community partners and contributors. Include relevant logos where applicable.

5 OUTPUTS & IMPACT

Present the key project outputs, outcomes and measurable community impact. Use photos, charts and verified figures to demonstrate tangible achievements, improvements, income generation, cost reduction or policy/SOP adoption.

6 SUSTAINABILITY

Explain the project's long-term sustainability, including community ownership, knowledge transfer and handover arrangements.

7 CONCLUSION

Summarise the project's key findings, achievements and overall community impact. Provide brief recommendations for future improvements, expansion or continued implementation.
