# Call for Exhibitors & Sponsors NGC 2024

GEOSCIENCE FOR A SUSTAINABLE FUTURE

Wyndham Grand Bangsar  
1-3 October 2024  
8 am to 5 pm

Attended by 9 universities, 6  
government agencies and  
various industry partners

Diverse themes, workshop  
sessions and post-conference  
fieldwork

The conference will be in conjunction with the 65<sup>th</sup> Anniversary (Sapphire Jubilee) of the Faculty of Science, Universiti Malaya. NGC 2024 will continue the tradition as the premier geoscience event in the country; well attended by geologists from academia as well as the public and private sectors. On this occasion, the Organizing Committee of NGC 2024 would like to invite you to take part in the conference and share or discuss your latest research findings from various fields of geosciences.
